

SPECIAL COUNCIL MEETING
APRIL 28, 2011

Called to order at 6:10pm

Present were Nathan Derusha, Jeanette Schultz, Sue Villanueva, Mark Jorgensen, Ruth Wineman, Kelly Williams-Treas., Monte O'Dell-Fire Chief, Shirley Harmon-Clerk, Gene Fisher and Steve Hayes –Syrup Association.

Ruth explained the reason for this special meeting, the Fireworks display that the association wants to put on. There was a change in the persons doing things for the association and with that change the group forgot the paperwork and permits needed for the fireworks.

It is so wet this year that they can't do the fireworks at Forrest Gardner's. so they will have to do them at the Vermontville Bible Church, in the parking lot.

The permit needs action by the council. Sue Villanueva moved to approve the "Application for Display Permit" and the "Permit for Fireworks Display" plus the change of venue, seconded by Mark Jorgensen.

Monte did ask how long the display would last for 710 units and he was told about 20 minutes. Vote on the motion was all ayes.

Mark Jorgensen moved to adjourn, seconded by Sue Villanueva, all ayes.

Adjourned at 6:23pm
