**VILLAGE OF VERMONTVILLE**

**ORDINANCE NO. 16-02**

**AN ORDINANCE TO AMEND SECTION 1.10 OF CHAPTER 1 OF ARTICLE 1 OF THE VILLAGE CODE OF ORDINANCES RELATING TO THE VILLAGE'S WATER SYSTEM**

THE VILLAGE OF VERMONTVILLE HEREBY ORDAINS:

Section 1.     Amendment of Section 1.10 of Chapter 1 of Article 1. Section 1.10 of Chapter 1 of Article 1 of the Code of Ordinances (the "Code") of the Village of Vermontville (the "Village") is hereby amended to read in its entirety as follows:

**1.10 CROSS CONNECTION RULES.**

- A. The Village of Vermontville (the "Village") adopts by reference the Water Supply Cross Connection Rules of the Michigan Department of Environmental Quality being R 325.11401 to R 325.11407 of the Michigan Administrative Code, as such rules may be amended from time to time.
- B. It shall be the duty of the Village to cause inspections to be made of all properties served by the Village's public water supply system where cross connection with the public water supply system is deemed possible. The frequency of inspections and re-inspections based on potential health hazards involved shall be established by the Vermontville Water Works and as approved by the Michigan Department of Environmental Quality.
- C. A representative of the Village shall have the right to enter, at any reasonable time, any property served by a connection to the Village's public water supply system for the purpose of inspecting the piping system or systems thereof for cross connections. On request by the Village, the owner, leasee or occupant of any property so served shall furnish to the inspection agency any pertinent information regarding the piping system or systems on such property. The refusal to provide such information or refusal of access, when requested, shall be deemed evidence of the presence of cross connections.
- D. The Village is hereby authorized to discontinue water service after reasonable notice to any property wherein any connection in violation of this Chapter exists, and to take such other precautionary measures deemed necessary to eliminate any danger of contamination of the public water supply system. Water service to such property shall not be restored until the cross connection(s) has been eliminated in compliance with the provisions of this Chapter.
- E. The potable water supply made available on the properties served by the public water supply system shall be protected from possible contamination as specified

by this Chapter and by the state and Village Code. Any water outlet which could be used for potable or domestic purposes and which is not supplied by the potable system must be labeled in a conspicuous manner as:

“WATER UNSAFE FOR DRINKING”

- F. All testable backflow prevention assemblies shall be tested initially upon installation to be sure that the assembly is working properly. Subsequent testing of assemblies shall be on an annual basis as required by the Village and in accordance with the State Plumbing Code and the Michigan Department of Environmental Quality requirements. Only individuals that are State of Michigan certified shall be qualified to perform such testing and such individual(s) shall certify the results of his/her testing.
  
- G This Section 1.10 is supplementary to the standards of the State Plumbing Code and other relevant provisions of the Village Code.

Section 2.     Effective Date. This Ordinance shall become effective 30 days after its publication or publication of a summary of its provisions in a local newspaper of general circulation in the Village.

Passed and adopted by the Village of Vermontville on July 14, 2016.
